License Classes

O.C.G.A. §40-5-23

The following is an explanation of the various license classes available to Georgia residents. Please note that Georgia has a graduated licensing program for teens. Provided that they meet all of the indicated requirements of the class of license for which they are applying, teenagers can obtain the following licenses at the indicated age:

- Age 15 – Class CP
- Age 16 – Class D
- Age 16 – Class MP
- Age 17 – Class M
- Age 18 – Class C

Explanation of Classes

Class A (Commercial) - Any combination of vehicles (power unit and trailer) with a Gross Vehicle Weight Rating (GVWR) of 26,001 pounds or more, provided the GVWR of the vehicle(s) being towed is in excess of 10,000 pounds. Includes vehicles in Classes B and C. Knowledge and driving skill exams are required. Must be at least 18 years old, though restricted to intrastate driving only until age 21.

Class B (Commercial) - Any single vehicle with a GVWR of 26,001 pounds or more, or any such vehicle towing another vehicle not in excess of 10,000 pounds. Includes vehicles in Class C, but not Class A. Knowledge and driving skill exams are required. Must be at least 18 years old, though restricted to intrastate driving only until age 21.

Class CP – Available to any person at least 15 years of age if they pass a knowledge test and a vision examination, and meet school enrollment requirements. Allows the licensee to operate a Class C non-commercial vehicle while there is a licensed driver at least 21 years of age occupying the front seat beside the driver who is fit and capable of exercising control over the vehicle, or when accompanied by a disabled parent/guardian who has been issued an identification card containing the international handicapped symbol.

Class D Provisional license for Class C vehicles – available to 16 year olds if they have held a class CP license for at least 1 year and 1 day; have not been convicted of any major traffic violations; meet school enrollment requirements (see O.C.G.A. §40-5-22); and have completed a Driver's Education course consisting of classroom and behind-the-wheel training. Teens not wanting to satisfy the Driver's Education requirements may wait until they are 17 years of age to obtain their Class D license; all other requirements must be met. Required to pass a road test. Class D license holders are limited to the following conditions:

- cannot operate a motor vehicle between the hours of 12:00 AM and 6:00 AM,
- during the first six-month period after issuance, cannot operate a motor vehicle with any passenger who is not a member of the driver's immediate family (defined as the license holder's parents and step-parents, grandparents, siblings, and step-siblings, children, and any other person who resides at the license holder's residence, effective January 1, 2012),
- during the second six-month period after issuance, cannot operate a motor vehicle with more than one passenger under the age of 21 who is not a member of the driver's immediate family, and

- for the remainder of the Class D license period, cannot operate a motor vehicle when more than three passengers under the age of 21 are not members of the driver's immediate family.

Class C (Commercial and Non-commercial) - Any single vehicle with a GVWR not in excess of 26,000 pounds; or any such vehicle towing a vehicle with a GVWR not in excess of 10,000 pounds; or any such vehicle towing a vehicle with a GVWR in excess of 10,000 pounds, provided that the combination of vehicles has a gross combined vehicle weight rating not in excess of 26,000 pounds, and any self-propelled or towed vehicle that is equipped to serve as temporary living quarters for recreational, camping, or travel purposes and is used solely as a family or personal conveyance.

Class C commercial licenses are issued only if the vehicle is designed to carry sixteen or more passengers (including the driver), or utilized to transport hazardous materials in quantities that require a placard. Knowledge and driving skill exams may be required upon initial issuance.

Class E (Non-commercial) – Any combination of vehicles with a GVWR of 26,001 pounds or more, provided the GVWR of the vehicle(s) being towed is in excess of 10,000 pounds. Includes vehicles in Classes F and C. Must be at least 18 years of age, pass a knowledge and skill test, and possess a valid Class C license when applying.

Class F (Non-commercial) – Any single vehicle with a GVWR of 26,001 pounds or more, or any such vehicle towing a vehicle with a GVWR not in excess of 10,000 pounds. Includes vehicles in Class C. Must be at least 18 years of age, pass a knowledge and skill test, and possess a valid Class C license when applying.

Class M Motorcycles - Motorcycles, motor driven cycles, and three-wheeled motorcycles (must be 17 years of age).

Class MP – Motorcycle Instructional Permit that allows the rider to operate a motorcycle except after dark, with passengers, or on expressways/interstates (must be at least 16 years of age and have completed driver's education program described for Class D license; otherwise, must be 17 years of age).

Class AP and BP – Allows the licensee to operate either a class A or B vehicle while there is a person at least 21 years of age who is licensed for the class of vehicle being operated who is occupying the front seat beside the driver who is fit and capable of exercising control over the vehicle.

Class EP and FP – Allows the licensee to operate a vehicle of the appropriate noncommercial class when accompanied by a licensed driver, qualified in the vehicle being operated, who is fit and capable of exercising control over the vehicle, and is occupying a seat beside the driver as an instructor.

Offenses Reported to DDS

Only those offenses listed below will be processed onto driver records. Any offense indicated as "Submit Only if Violation occurred in a CMV" will be processed only if "Commercial Vehicle" is "yes" on the conviction report or GECPS transmission. Any conviction submitted with an offense not on this list will be returned to the submitting court unprocessed.

Highlighted Legal Codes will result in a suspension of all driving privileges upon conviction. In addition to these offenses, legal codes with ** behind them will result in a suspension of all driving privileges for drivers under the age of 21. These indications do not reflect treatment of a plea of *nolo contendere*. See the Traffic Court Reference Manual sections on Suspensions and Drivers under 21 for more information.

This list also includes the corresponding ACD Code for each Georgia Legal Code. ACD Codes are nationally recognized offense codes used to improve communication between licensing authorities in states. They are being included in this list because their use is becoming more prevalent on driving histories (MVRs) and court personnel may begin to see them more often. ACD codes should **NOT** be used by the courts to transmit information to DDS.

See the CDL section of the Traffic Court Reference Manual for more information on the Commercial DQ Type.

Reporting Convictions to DDS

What convictions must be reported

O.C.G.A. §40-5-53(b):

"(b) Every court in each county of this state having jurisdiction over offenses committed under this chapter and Chapter 6 of this title or any other law of this state or ordinance adopted by a local authority regulating the operation of motor vehicles on highways shall forward to DDS, within ten days after the conviction of any person in such court for a violation of any such law other than regulations governing speeding in a noncommercial motor vehicle for which no points are assigned under Code Section 40-5-57, standing, or parking, a uniform citation form authorized by Article 1 of Chapter 13 of this title..."

If a conviction for a "non-traffic" offense will generate a suspension of a driver's license or privilege to drive pursuant to Georgia law, it must be reported to DDS. See *Salomon v. Earp*, 190 Ga. App. 405 (1989). This specifically includes violations of the Georgia Controlled Substance Act (see O.C.G.A. §40-5-75; Article 2 of Chapter 13 of Title 16) only when the offense is a felony in the commission of which a motor vehicle was used.

Report only the final disposition

If reporting electronically, only report the violations for which the defendant ultimately plead guilty, plead *nolo contendere* (when applicable), was convicted, or the bond was forfeited. For example, if a charge of Driving Under the Influence was reduced to Reckless Driving, report only the Reckless Driving. If reporting via the Uniform Traffic Citations, please draw a single line through the original charge and code section on the face of the citation and place the new charge and code section directly above the old one. Also, any change to the original charge should be noted under "Disposition and Sentence" on the reverse side of the citation. This notation should reflect the new charge and code section for which the defendant was convicted. Place your initials next to any changes.

Reporting method

O.C.G.A. §40-5-53(b) continued:

"...Notwithstanding any other provision of this title, in satisfaction of the reporting requirement of this subsection, the courts of this state shall transmit the information contained on the uniform citation form by electronic means, using the electronic reporting method approved by the department (emphasis added). Subject to appropriation by the General Assembly, the department shall pay to the clerk of the court forwarding the required report 40¢ for each report transmitted electronically in a timely manner as required in this subsection; and notwithstanding any general or local law to the contrary; the clerk shall pay such fees over to the general fund of the city or county operating the court.."

Georgia Electronic Citation Processing System (GECPS)

The Federal Motor Carrier Safety Regulations (49 C.F.R. §350, *et seq.*) require that by September 30, 2008, all states must process any conviction related to commercial driver's licenses, commercial motor vehicles, and the transportation of hazardous materials that impacts driving privileges onto the driving history of a licensee within 10 days of final disposition. For out of state residents, the State of Conviction must notify the State of Record within 10 days of final disposition. This requirement cannot be met using paper reporting methods. In an effort to meet this requirement and not jeopardize Federal highway funds, the Georgia Electronic Conviction Processing System (GECPS) was developed, allowing courts to report certain offenses electronically.

In May of 2007, DDS released Version 2 of the Georgia Electronic Conviction Processing System (GECPS). GECPS 2 is an improvement over the original version and will eliminate almost all paper reporting to DDS by the courts. GECPS 2 allows courts to transmit the following in a standard electronic format:

- Convictions of traffic offenses from the Uniform Traffic Citation (UTC)
- Convictions of certain drug offenses (those normally reported on the DS-1242)
- Juvenile offenses and court-ordered suspension (those normally reported on the DS-1137)
- Zero-Point Orders pursuant to O.C.G.A. §40-5-57(c)(1)(C)
- Failure to appear Suspensions (for Georgia residents)
- Failure to appear Releases (both before and after the suspension becomes effective)

Courts that begin transmitting convictions electronically should not send the same convictions via the GECPS protocol and paper reporting methods unless directed to by DDS personnel during the structured testing phase. Should an 'electronic' court be required to send a conviction or withdrawal in by paper, the UTC/form must be accompanied by a cover letter from the court, notifying DDS that the document enclosed is an exception to the court's usual practice of electronically submitting convictions. This cover letter is not required when mailing licenses, notice of suspension forms, and certain other non-conviction-reporting documents.

DDS urges each court to register their contact information and download a current copy of the User Implementation Guide. After you register, a representative from DDS will contact you to provide additional instructions and information. DDS does not provide the front-end data entry software necessary to transmit convictions electronically. However, DDS can provide the court with a list of vendors who do offer this capability, along with integrated case management software and other services.

Courts can register or/update their contact information, and sign up for GECPS from the following website: <https://online.dds.ga.gov/citationreporting/>
Once a court has registered for GECPS and obtained a valid login, the GECPS Implementation Guide can be obtained in PDF format from the DDS website after logging in to GECPS.

Please check our web page frequently for updates to this guide and other important information related to court functions.

Seized driver's licenses, notice of suspension/revocation forms, and certain other documents must still be mailed to DDS even if the court transmits the conviction/withdrawal electronically. When mailing documents, please do not use staples to attach papers; paper clips are preferable.

All documents being mailed to the Georgia Department of Driver Services by the courts should be sent to:

First Offender Treatment

O.C.G.A. §42-8-60, *et seq.*

Traffic Cases

First Offender status granted in cases related to the operation of a motor vehicle will not prevent the imposition of the applicable driver's license suspension or revocation. See *Salomon v. Earp*, 190 Ga. App. 405, 379 S.E.2d 217; 1989 and O.C.G.A. §40-6-391(f).

If a traffic offense is reported to DDS that mandates the suspension of the driver's license or privilege, and the defendant has been granted "First Offender" status, the driver's license will still be suspended or revoked as required by law.

Please note that O.C.G.A. §40-6-391(f) specifically prohibits first offender status for persons convicted of Driving Under the Influence.

Appeals

O.C.G.A. §40-13-33

Any challenge to a misdemeanor conviction of any of the traffic laws of this state or the traffic laws of any county or municipal government which may be brought pursuant to Chapter 14 of Title 9 must be filed within 180 days of the date the conviction becomes final.

Failure to file the challenge within the time prescribed in this Code section shall divest the court of jurisdiction.

A notice of appeal will not, in any way, limit the administrative actions of DDS. If the defendant appeals a conviction, the conviction must still be reported to DDS within 10 days of the disposition. See *Wells v. State*, 212 Ga. App. 15, 440 S.E.2d 692 (1994). If the conviction is overturned on appeal, DDS will amend the defendant's driving record appropriately.

Pleas of *Nolo contendere*

Courts should note that in many places in this document pleas of *nolo contendere* are discussed. In these instances, the text may indicate ‘Yes’ or ‘Not accepted; shall be treated as a conviction.’ This should not be construed to indicate that the court cannot, or should not, accept a plea of *nolo contendere* to a particular charge. This document simply indicates how the plea will be treated by DDS for the purposes of taking administrative actions against the driving privileges of the licensee. It is incumbent upon the court to determine in which cases it can or cannot, or will or will not, accept a plea of *nolo contendere*.

Moving traffic violations are defined in O.C.G.A. §40-5-57(c)(1)(A) and Ga. Admin. Comp. Ch. 375-3-3-.01. DDS will accept one plea of *nolo contendere* for a moving traffic violation in any five year period without assigning points to the driving record. Subsequent pleas of *nolo contendere* will result in the assessment of points against the driving record, even for a different offense. For example, if a defendant pleads *nolo* for improper turning and does not have any previous *nolo* pleas for a moving violation in the past five years, DDS will record the violation onto the driving record without assessing points. If, one year later, the same defendant pleads *nolo* for failure to maintain lane, DDS will record the violation onto the driving record and will assess points. This process does not impact the treatment of pleas of *nolo contendere* for an offense for which DDS will suspend the license.

Please note, a plea of *nolo contendere* by a person under 21 years of age is considered a conviction, points will be assessed onto the driving record, and the driver’s license will be suspended for convictions of listed offenses. O.C.G.A. §40-5-57.1(a).

Notice of Suspension and Surrender of Driver’s Licenses

Notice of Suspension (DS-1190) shall be provided by the court to those defendants whose conviction(s) will generate a mandatory suspension or revocation. See O.C.G.A. §40-5-54(b) and the suspension list within the “*Suspensions and Disqualifications Taken by DDS*” section.

If the defendant is unable to surrender his or her driver’s license to the court on the date of disposition, the court should complete a Lost License Affidavit (DS-250A form) and submit the affidavit in lieu of the defendant’s driver’s license.

When the defendant is served on a DS-1190 for anything other than Habitual Violator (For Habitual Violator use DS-1189 or DS-1030 forms), the driver’s license or Lost License Affidavit (DS-250A) should be attached along with the notice of service. Only the notice of service and license should be mailed if the court is reporting the conviction electronically via the GECPS process. Please do not use staples when attaching documents to each other (paper clips are preferred).

Your assistance in providing this service will guarantee that each person whose license has been suspended or revoked will be immediately aware of his or her inability to operate a vehicle thereafter. The DDS prescribed form noting the surrender date of the license allows DDS to assign a surrender date for the suspended driver. And, it’s the law! See O.C.G.A. §40-5-54(b). Please serve them!

Calculating Eligibility for Reinstatement

If a defendant is convicted of an offense for which Georgia law mandates the suspension or revocation of the driver's license or privilege to drive by operation of law, the actual suspension of the license and/or privilege to drive becomes effective at the time of the conviction/disposition. However, for purposes of calculating eligibility for reinstatement, the following conditions apply:

For all dispositions prior to July 1, 2004

For the purpose of making any determination under O.C.G.A. §40-5-61 relating to the return of revoked or suspended licenses to drivers, no period of revocation or suspension shall begin until the license is surrendered to DDS or a court of competent jurisdiction, whichever date shall first occur. If the license is lost, or for any other reason surrender to DDS is impossible, the period of revocation or suspension may begin on the date of the DS-250A setting forth the date and reason for such impossibility. If neither license is surrendered nor the DS-250A submitted, DDS may consider the day after the expiration of the most recently issued license as the surrender date.

For all dispositions on or after July 1, 2004 - O.C.G.A. §40-5-61(e)

Whichever of the following three events **occurs first** will determine when the DDS will begin calculating the customer's eligibility for reinstatement:

DISPOSITION DATE if the most recently issued license was surrendered to the court, or a DS-250A Lost License Affidavit was completed, at the time of disposition.

SURRENDER DATE of the license **after** disposition but prior to DDS processing the conviction. This date will be used if the most recently issued license is surrendered to the court or DDS, or the licensee completes a DS-250A Lost License Affidavit and gives it to the court or DDS, prior to DDS processing the conviction onto the record.

PROCESS DATE of the citation or conviction by DDS.

In this event, the defendant did not surrender their most recently issued license and did not submit a lost license affidavit to the court on the date of the disposition or to DDS thereafter.

“Zero-Point” Orders

O.C.G.A. §40-5-57(c)(1)(C)

- A “Zero-Point Order” is a transaction between the court and the licensee that is reported to DDS.

The court may order a defendant to attend a driver improvement clinic approved by DDS for any points-bearing violation. The court may also accept a defendant’s original certificate of completion from a DDS approved Defensive Driving Course after the issuance of a citation. If the court orders or accepts a certificate of completion, the base fine shall be reduced by 20%. The disposition and court order shall be reported to DDS, by **INDICATING ON THE ORDER OR ON THE CITATION THAT YOU ARE MAKING A “ZERO POINT” REQUEST FOR THE VIOLATION.** For convictions reported electronically, there is a way to indicate that a Zero-Point order applies. Vendors will show court personnel how to do this (usually a check box on the data entry screen). Courts DO NOT need to mail the certificate of completion to DDS, but should verify that the date of completion is after the date of violation.

The disposition will still post on the driver’s record. However, no points will be assessed for the violation. This procedure may be used by a Georgia driver of any age once every 5 years measured from date of arrest to date of arrest, in accordance with O.C.G.A. §40-5-57(c)(1)(C).

Zero-Point orders should not be submitted for Out-of-State drivers. DDS does not assign points to the license of an out-of-state driver and cannot guarantee that the State of Record will honor the order or take the same actions based on it. The defendant should contact the licensing authority of his or her home state to determine what action, if any, it will take upon the submission of a Defensive Driving Course certificate of completion. DDS will not forward a certificate or indication of the zero-point order to the State of Record.

“Points Reductions”

O.C.G.A. §40-5-86

- A “Points Reduction” is a transaction between a licensee and DDS.

O.C.G.A. §40-5-86:

“Upon the accumulation of points pursuant to O.C.G.A. §40-5-57, the total number of points accumulated by any driver shall be reduced by seven points, but to not less than zero points, upon the satisfactory completion by such driver of a DDS approved defensive driving course and the submission of such certificate by such driver to the department. The provisions of this Code section shall be available one time only to each driver in any five-year period.”

A Points Reduction can be granted within the same 5 year period as a Zero-Point Order. However, once an individual’s driver’s license has been suspended based on the assessment of points, the suspension will not be stayed or amended if the person applies for a “point reduction” under O.C.G.A. §40-5-86.

Court-Ordered Suspensions

O.C.G.A. §17-10-3

If the court wishes to suspend the driver's license as a condition of probation even if the DDS does not receive a conviction (i.e., conditional discharge, first offender, pre-trial diversion, etc), the driver's license (or the DS-250A Lost License Affidavit) should accompany the citation and the notice of suspension form (DS-1190) if submitted by mail. Please note that a court suspension of a driver's license other than that which is mandated by statute must contain the following phrase:

- “As a condition of probation, the driver's license is suspended for a period of _____.” (Fill in the blank with the length of time you wish to suspend the license, not to exceed the term of probation).

This suspension will become effective on the date of disposition, in addition to any other suspension(s) generated by DDS.

If the court reports electronically, vendors should provide a 'check-box' or other method of reporting a court-ordered suspension and the duration (please contact your vendor for more information). The court should then mail the license and the notice of suspension form (DS-1190) to DDS, but SHOULD NOT mail the citation/conviction form or order.

If the court wishes to suspend the driver's license beyond the time which is required by law, the court must indicate a specific duration or end date. Because the suspension is part of probation, it must not be ordered for any period longer than that which the defendant will be on probation. See *Brock v. State*, 165 Ga. App. 150, 299 S.E.2d 71 (1983).

Procedures for Changing or Modifying Dispositions

O.C.G.A. §40-13-32 and O.C.G.A. §40-13-33 will be strictly enforced

Any change the court desires can be made within 90 days after disposition. The court has two options for submitting this request:

- A request in writing on official court letterhead. The letter should list the defendant's name, date of birth, driver's license number (if available), court case number, citation number (if available), the original charge(s), and the amended charge(s). Court forms or orders will not be accepted in lieu of the request on official court letterhead.

OR

- DS-1195 Court Correction Form

If a change is requested after 90 days and before 180 days from the date of the disposition, the procedures outlined in O.C.G.A. §40-13-32 must be followed. The court has two options for submitting this request:

- A request in writing on official court letterhead, listing all of the defendant's information mentioned above; AND
- Proof of the following:
 - A motion to change or modify the sentence or judgment must be made by the defendant to the court rendering the judgment within 180 days from the date of disposition.
 - Notice, including a copy of the motion and rule nisi, must be given to the prosecuting official who brought the original charge(s) at least ten (10) days prior to the motion hearing.
 - A hearing must be held with opportunity for the State to be heard.

OR

- DS-1195 Court Correction Form

If the change is requested 180 days or later after the conviction date, the court no longer has subject matter jurisdiction pursuant to O.C.G.A. §40-13-33, and the DDS cannot change the defendant's driving record. However, if the records of DDS do not reflect the correct judgment rendered at the time of the original disposition due to a clerical error, no time limits apply and any changes necessary to reflect the true and accurate judgment at the time of disposition can be made. The court has two options for submitting this request:

- A request in writing on official court letterhead listing all of the defendant's information mentioned above

OR

- DS-1195 Court Correction Form

Note: The DS-1195 Court Correction Form is not printed and mailed to the courts like the other forms that DDS provides. It can be sent to the courts electronically or by fax. Soft copies are also available, allowing the court to complete the form on the computer and print it out to sign, certify, and fax to DDS. The DS-1195 Court Correction Form should be sent to the DDS via fax with a cover sheet.

If the defendant was ordered by the court to complete a DUI Alcohol or Drug Use Risk Reduction Program within 120 days, and he/she fails to do so, the court then has the option of notifying

Habitual Violator

Habitual Violator Contributors

Convictions and/or *nolo contendere* pleas arising from a single incident or separate incidents to any three of the following violations within a 5-year period, as measured from date of arrest to date of arrest for which convictions were obtained, will cause the violator to be declared an Habitual Violator in accordance with O.C.G.A. §40-5-58:

- Homicide by Vehicle (1st Degree) as defined by O.C.G.A. §40-6-393 (a) or (b)
- Homicide by Vehicle (2nd Degree) as defined by O.C.G.A. §40-6-393 (c)
- Any felony in the commission of which a motor vehicle is used
- Hit & Run – Leaving the scene of an accident as defined by O.C.G.A. §40-6-270
- Racing on Highways or Streets as defined by O.C.G.A. §40-6-186
- Using a Motor Vehicle in Fleeing or Attempting to Elude an Officer as defined by O.C.G.A. §40-6-395
- Unlawful or Fraudulent Use of or Application for a License or ID Card as defined by O.C.G.A. §40-5-120, O.C.G.A. §40-5-125 (*HV contributor only for offenses occurring prior to July 1, 2015*)
- Operating a Motor Vehicle with a Revoked, Canceled, or Suspended Registration as defined by O.C.G.A. §40-6-15
- Any felony forgery conviction if related to an identification document (§40-5-54) (*HV contributor only for offenses occurring prior to July 1, 2015*)
- Driving Under the Influence, and Child Endangerment while DUI as defined by O.C.G.A. §40-6-391; §40-6-391(l)
- Feticide by Vehicle (1st Degree) as defined by O.C.G.A. §40-6-393.1 (a) (1)
- Serious Injury by Vehicle as defined by O.C.G.A. §40-6-394

Under O.C.G.A. §40-5-1, "Conviction" means a forfeiture of bail or collateral deposited to secure a defendant's appearance in court, the payment of a fine, a plea of guilty, or a finding of guilt on a traffic violation charge, regardless of whether the sentence is suspended, probated, or rebated.

All judges of all courts having jurisdiction of the offenses listed above should, at the time of final disposition for a first or second conviction, give notice to the defendant of the suspension of their driver's license by using the DS-1190 form. The court should forward the notice of suspension and the defendant's driver's license to DDS within 10 days of the date of conviction.

Convictions of any three of the offenses listed above in a five year period, arising from the same or multiple incidents, will result in the defendant being an Habitual Violator (O.C.G.A. §40-5-58). The court should perform declaration and service at the time of conviction using DS-1189 (HV Declaration and Service Form).

Note: An Habitual Violator revocation will not age off of the driving record, but will remain in effect until the licensee has paid a reinstatement fee and met all other requirements. A licensee who was declared an Habitual Violator because of three (3) or more convictions within a 5-year period under O.C.G.A. §40-6-391 must attend a DDS approved DUI Alcohol or Drug Use Risk Reduction Program.

A charge of "Habitual Violator" or "Habitually Impaired Driver" would not be an appropriate charge if the five-year revocation generated by this classification has expired.

Probationary Licenses for Habitual Violators

O.C.G.A. §40-5-58

A person who has been declared a habitual violator and who has had his or her driver's license revoked for a period of five years may, after two years have expired since the date on which such person's license was surrendered or an affidavit was accepted as provided in subsection (e) of O.C.G.A. §40-5-61, be issued a probationary driver's license for a period of time not to exceed three years upon compliance with the following conditions:

- (A) Such person has not been convicted, or pleaded *nolo contendere* to a charge, of violating any provision of Chapter 5 or Chapter 6 of Title 40 (O.C.G.A.) or any local ordinance relating to the movement of vehicles for a period of two years immediately preceding the application for a probationary driver's license;
- (B) Such person has not been convicted, or pleaded *nolo contendere* to a charge, of a violation of any provision of Chapter 5 or Chapter 6 of Title 40 (O.C.G.A.) which resulted in the death or injury of any individual;
- (C) Such person has successfully completed, prior to the issuance of the probationary driver's license, a defensive driving course or a DUI Alcohol or Drug Use Risk Reduction Program approved and certified by the Department of Driver Services;
- (D) Such person has not been convicted, or pleaded *nolo contendere* to a charge, of violating any provision of Title 3, relating to alcoholic beverages, or of violating any provision of Chapter 13 of Title 16, relating to controlled substances;
- (E) Such person shall submit a sworn affidavit that such person does not excessively use alcoholic beverages and does not illegally use controlled substances or marijuana. It shall be a misdemeanor to falsely swear on the affidavit and, upon such a conviction, the probationary license shall be revoked. No probationary license shall be issued during the remainder of the revocation period, and no driver's license shall be issued for the remainder of the original revocation period or for a period of two years from the date of conviction pursuant to this condition;
- (F) Such person submits proof of financial responsibility as provided in Chapter 9 of Title 40 (O.C.G.A.) (form SR22); and
- (G) Such person shall maintain an Ignition Interlock Device on any vehicle such person operates for the required period of time (six, eight, or twelve months) based upon the date of arrest immediately following the issuance of an HV probationary license, if the HV declaration is based upon two or more convictions under O.C.G.A. §40-6-391.
- (H) Refusal to issue a probationary driver's license would cause extreme hardship to the applicant. For the purposes of this condition, the term "extreme hardship" means that the applicant cannot reasonably obtain other transportation, and, therefore, the applicant would be prohibited from:
 - Going to his/her place of employment or performing the normal duties of his/her occupation;

- Receiving scheduled medical care or obtaining prescription drugs;
- Attending a college or school at which he is regularly enrolled as a student;
- Attending regularly scheduled sessions or meetings of support organizations for persons who have addiction or abuse problems related to alcohol or other drugs, which organizations are recognized by DDS; or
- Attending under court order any driver education or improvement school or alcohol or drug treatment program or course approved by the court which entered the judgment of conviction resulting in revocation of his driver's license or by DDS.

Application for a probationary driver's license shall be made upon such forms as DDS may prescribe. Such forms shall require such information as is necessary for DDS to determine the need for such license. The applicant shall sign all applications before a person authorized to administer oaths.

Upon compliance with the above conditions and the payment of a fee of \$210.00 (or \$200.00 when processed by mail) such person may be issued a probationary driver's license by DDS. A probationary driver's license shall be endorsed with such conditions as DDS deems necessary to ensure that such license will be used by the licensee only to avoid the conditions of extreme hardship. Such conditions may include the following restrictions:

- Specific places between which the licensee may be allowed to operate a motor vehicle;
- Routes to be followed by the licensee;
- Times of travel;
- The specific vehicles which the licensee may operate; and
- Such other restrictions as DDS may require.

A probationary driver's license issued pursuant to this provision shall become invalid upon the expiration of the period of the suspension or revocation of the driver's license of such person.

Note: If the Habitual Violator revocation is based upon two or more convictions under O.C.G.A. §40-6-391, the HV Probationary License will be restricted to include the use of an Ignition Interlock Device for the appropriate number of months based upon date of arrest following issuance for any vehicle the driver operates. The defendant must complete a clinical evaluation and, if indicated, must complete a substance abuse treatment program approved by the Georgia Department of Human Services.

Driving Under the Influence

O.C.G.A. §40-6-391

First Conviction (Within 5 years)

Plea of *nolo contendere* – Not accepted; shall be treated as a conviction.

Suspension – Yes; 120 day period beginning on effective date.

Limited Driving Permit – Yes, if no convictions for mandatory suspendable offenses within the past 5 years - \$25, renewable, valid for 1 year from date of issuance.

Reinstatement Requirements:

- Submit an original certificate of completion of a DDS approved DUI Alcohol or Drug Use Risk Reduction Program;
- Remit a \$210.00 reinstatement fee (or \$200.00 if reinstatement is processed by mail).

Upon a first conviction of DUI within 5 years, the court shall:

- Complete the official DUI Conviction Court Affidavit (DS-1126) and advise the defendant to present the form at the nearest DDS Customer Service Center for issuance of a limited permit. If the court does not complete a First DUI Conviction Court Affidavit, it should furnish the defendant with a certified copy of the Uniform Traffic Citation (face and reverse side showing the disposition). This certified copy may be used by DDS in lieu of the affidavit to issue the defendant a Limited Driving Permit. Note: Neither of these documents are needed by the DDS if the court has already transmitted the DUI conviction to DDS.
- Serve the defendant with notice of suspension using the official DS-1190 form.
- Seize the defendant's driver's license, or if applicable, complete an official Lost License Affidavit (DS-250A form).
- Report the disposition electronically to DDS within 10 days following disposition. Send the DS-1190 form and driver's license/Lost License Affidavit by mail to DDS.
- In accordance with HB 336, the Court may impose a clinical evaluation and completion of a substance abuse treatment program for a first conviction of O.C.G.A. § 40-6-391. It should be noted, at this time the DDS does not have the authority to impose this requirement as a condition of license reinstatement. As such, if the Court orders a clinical evaluation and treatment on a first DUI, it should be treated as a condition of probation.

Note: DDS is required by law to issue a limited permit if the defendant meets the legal qualifications for the issuance of this permit. The judge does not have discretion to grant or deny this permit, and the denial of a request for an Affidavit of First Conviction (Form DS-1126) merely delays the issuance of the permit. If the judge does not wish for the defendant to be permitted to drive during this period, then the defendant must be placed on probation with a condition of probation being the court-ordered suspension of the driving privilege. See Brock v. State, 165 Ga. App.150 (1983).

Second Conviction (Within 5 years)

Plea of *nolo contendere* - Not accepted; shall be treated as a conviction.

Suspension - Yes; 18 month period beginning on effective date.

Limited Driving Permit - Yes; provided, however, that the licensee will only become eligible for an Ignition Interlock Device (IID) Permit after serving a 120 day hard suspension. To be eligible for an IID Permit, the licensee must satisfy the following requirements:

- Submit an original certificate of completion of a DDS approved Alcohol or Drug Use Risk Reduction Program;
- Submit official proof of enrollment in, or an original certificate of completion of, a Department of Behavioral Health and Developmental Disabilities (DBHDD) approved substance abuse treatment program, if so required by the clinical evaluation, or permission from the court if adjudicated in DUI Court Program;
- Submit proof of installation of an Ignition Interlock Device from a DDS approved vendor.
- Remit a \$25.00 permit fee.

Reinstatement Requirements (after 120 days of hard suspension, 12 months of ignition interlock, and the remaining time with a non-interlock limited permit):

- Provide proof that an ignition interlock device was maintained in a motor vehicle for a period of twelve months, without incident, pursuant to the conditions described above (not required for non-Georgia resident; instead, individual must serve an 18-month hard suspension), or
- Order from the sentencing court exempting the person from the requirements of an ignition interlock device because of undue financial hardship (but will suffer a twelve month hard suspension), and
- Show proof of completion of a substance abuse treatment program (if required by the clinical evaluation). If proof of completion was submitted prior to the issuance of the limited permit, no additional proof will be required for reinstatement of the license; and
- Remit a \$210.00 reinstatement fee (or \$200.00 if reinstatement is processed by mail).
- NOTE: The amount of time the defendant must hold the ignition interlock limited driving permit is calculated depending upon the law in effect on the date of the incident that triggered the 2/5 DUI conviction.

Incident Date	Interlock Requirement
July 1, 2001 to December 31, 2012	6 months
January 1, 2013 to June 30, 2013	8 months
July 1, 2013 or later	12 months

Upon a second conviction of DUI in 5 years, the court shall:

- Serve the defendant with notice of suspension using the official DS-1190 form.
- Seize the defendant’s driver’s license, or if applicable, complete an official Lost License Affidavit (DS-250A form).
- Report the disposition electronically to DDS within 10 days following disposition. Attach the DS-1190 form and driver’s license/Lost License Affidavit and mail to DDS.

Third Conviction (Within 5 years)

Third Conviction (Within 5 years)

Plea of *nolo contendere* – Not accepted; shall be treated as a conviction.

Suspension - Defendant shall be declared a Habitual Violator after 3 convictions within a 5 year timeframe – See “Habitual Violator Section” for information

Limited Driving Permit – See “Habitual Violator Section” for information

Suspension

In addition to the sanctions imposed upon a third conviction, a defendant who is convicted for a fourth violation under O.C.G.A. §40-6-391 while declared and served as a Habitual Violator will be subject to the charges of Habitual Violator (or Driving with a Revoked License) and DUI.

Fourth or Subsequent Conviction (Within 10 years)

In 2008, the General Assembly passed HB 336 creating felony conviction for a 4th DUI in a 10 year timeframe.

Plea of *nolo contendere* – Not accepted; shall be treated as a conviction.

Suspension – For the purposes of calculating the 10 year period, the timeframe is measured from dates of previous arrests for which convictions were obtained or pleas of *nolo contendere* are accepted. For the defendant to be charged with Felony DUI, all four offenses must have been committed on or after January 1, 2008. If any of the defendant’s DUI convictions were committed prior to January 1, 2008, then the fourth or subsequent conviction shall be a misdemeanor of a high and aggravated nature. Please see chart below to determine if the felony provisions shall be considered.

Limited Driving Permit – No.

<i>DUI Arrest (with Convictions) prior to 7/1/08</i>	<i>DUI Arrest (with Convictions) on or after 7/1/08</i>	<i>Is 4th conviction in 10 years a Felony DUI?</i>
3	1	No
2	2	No
1	3	No
0	4	Yes

It is the responsibility of the convicting court to submit the conviction as O.C.G.A. §40-6-391(c)(4) if appropriate (4th DUI). If submitted, this legal code will be accepted, and the description associated with it will appear as FELONY DUI on GCIC inquiry and MVRs. Citation processing will not attempt to verify that the offense is actually the 4th DUI.

**** NOTE: The suspension period and reinstatement requirements for any conviction for DUI Drugs pursuant to 40-6-391(a)(2) or 40-6-391(a)(4) or 40-6-391(6) can be found in O.C.G.A. §40-5-75. See section entitled VGCSA. ****

Endangering a Child While Driving Under the Influence

O.C.G.A. §40-6-391(l).

A person who is convicted of or pleads *nolo contendere* to an offense under O.C.G.A. §40-6-391(a) while transporting in a motor vehicle a child under the age of 14 years is guilty of the separate offense of endangering a child by driving under the influence of alcohol or drugs. The offense of endangering a child by driving under the influence of alcohol or drugs shall not be merged with the offense of driving under the influence of alcohol or drugs for the purposes of prosecution and sentencing. An offender who is convicted of this violation shall be punished in accordance with the provisions of subsection (d) of O.C.G.A. §16-12-1, relating to the offense of contributing to the delinquency, unruliness, or deprivation of a child.

Note: A conviction of §40-6-391(l) should be reported in addition to the conviction for §40-6-391. Both convictions will go on the record and the driver will automatically go under the equivalent of a 2nd DUI conviction in 5 years. If there are two children under the age of 14 in the vehicle and the driver is convicted of 1 count of 40-6-391 and 2 counts of 40-6-391(l), all three should be reported to DDS and the driver will automatically go under an Habitual Violator Revocation. If this occurs, or if there were previous habitual violator contributors on the driving record, the court shall seize the driver's license and declare and serve them as an Habitual Violator.

See Dozier v. Jackson, 282 Ga. App. 264 (2006).

Suspensions Pursuant to an Implied Consent Refusal

O.C.G.A. §40-5-55 and O.C.G.A. §40-5-67.1

These suspensions go onto a driving record when, upon being charged with Driving Under the Influence, the arresting officer completes a DS-1205 form and sends it to DDS indicating that the driver refused to comply with the Implied Consent laws of Georgia by not submitting to a state administered chemical test of his or her blood, breath, urine or other bodily substances. The arresting agency should submit the driver's license to the DDS at the time the DS-1205 is submitted.

Suspension - Yes; 1 year period beginning on effective date.

Temporary/Limited Driving Permit - No.

Reinstatement Requirements:

- Suspension "ages off" of the record at the end of 1 year. No reinstatement fee required.

Note: Suspension time pursuant to an Administrative License Suspension {O.C.G.A. §40-5-67.1} shall be counted toward fulfillment of any period of suspension subsequently imposed as a result of a conviction of violating O.C.G.A. §40-6-391 that arises out of the same violation for which the Administrative License Suspension was imposed. See O.C.G.A. §40-5-67.2(b). Credit is not allowed for time served on a suspension resulting from a conviction toward satisfaction of an implied consent suspension. Credit for an implied consent suspension is not given toward a habitual violator revocation. In the event the person is acquitted of a violation of O.C.G.A. §40-6-391, or such charge is initially disposed of other than by a conviction or plea of nolo contendere, the ALS suspension will be terminated and deleted from the driver's license record. The defendant is responsible for contacting DDS to initiate this procedure. The court will be asked to provide DDS with a letter certifying that the DUI case was disposed of by means other than a conviction or plea of nolo contendere. This letter should indicate the customer identifiers (name/DOB/DLN/SSN) violation date, case/citation number, and final disposition status.

Administrative License Suspensions

O.C.G.A. §40-5-67.1 and §40-5-67.2

These suspensions go onto a driving record when, upon being charged with Driving Under the Influence, the arresting officer completes a DS-1205 form and sends it to DDS indicating that the driver submitted to a state administered chemical test and exceeded the per se limits based upon the circumstances: an alcohol concentration of 0.08 grams or more or, for a driver under the age of 21, an alcohol concentration of 0.02 grams or more or, for a driver of a moving commercial motor vehicle, an alcohol concentration of 0.04 grams or more. The arresting agency should submit the driver's license to the DDS at the time the DS-1205 is submitted.

- Remit a \$210.00 reinstatement fee (or \$200.00 if reinstatement is processed for by mail).

Note: Suspension time pursuant to an Administrative License Suspension {O.C.G.A. §40-5-67.1} shall be counted toward fulfillment of any period of suspension subsequently imposed as a result of a conviction of violating O.C.G.A. §40-6-391 that arises out of the same violation for which the Administrative License Suspension was imposed. See O.C.G.A. §40-5-67.2(b). Credit is not allowed for time served on a suspension resulting from a conviction toward satisfaction of an administrative suspension. Credit for an administrative license suspension is not given toward a habitual violator revocation. Furthermore, the original certificate of completion of a DDS approved DUI Alcohol or Drug Use Risk Reduction Program and the \$210 reinstatement fee submitted to DDS to reinstate the Administrative License Suspension may be applied toward the same requirements for the suspension arising from a criminal conviction for the same DUI violation. In the event the person is acquitted of a violation of O.C.G.A. §40-6-391, or such charge is initially disposed of other than by a conviction or plea of nolo contendere, the ALS suspension will be terminated and deleted from the driver's license record. The defendant is responsible for contacting DDS to initiate this procedure. The court will be asked to provide DDS with a letter certifying that the DUI case was disposed of by means other than a conviction or plea of nolo contendere. This letter should indicate the customer identifiers (name/DOB/DLN/SSN) violation date, case/citation number, and final disposition status.

Violations of the Georgia Controlled Substance Act
(VGCSA)
O.C.G.A. §40-5-75

Article 2 of Chapter 13 of Title 16 is known as The Georgia Controlled Substance Act. The code sections are O.C.G.A. §16-13-20 through §16-13-56.

Pursuant to SB100 (2015), convictions for offenses occurring on or after July 1, 2015 for any offense under Article 2 of Chapter 13 of Title 16 will not suspend the driver's license and should NOT be reported to the DDS unless the offense is a felony in the commission of which a motor vehicle was used.

Misdemeanor Possession of Marijuana – Pleas of *nolo contendere*

Do NOT report any misdemeanor possession of marijuana convictions to the DDS unless the offense date was prior to July 1, 2015.

DDS will accept a plea of *nolo contendere* to a misdemeanor possession of marijuana charge once every 5 years pursuant to O.C.G.A. §40-5-75(c).

Criteria:

- The defendant must be charged with misdemeanor possession of marijuana less than one ounce in violation of O.C.G.A. §16-13-30(j)(1) and sentenced under O.C.G.A. §16-13-2(b).
- The defendant must be over the age of 16.
- The defendant must not have any convictions or pleas of *nolo contendere* to any violations governed by O.C.G.A. §40-5-75 within the previous five years, as measured from dates of arrest.

The process:

The decision to accept a plea of *nolo contendere* to a misdemeanor charge of unlawful possession of marijuana less than one ounce shall be at the sole discretion of the judge. If the plea of *nolo contendere* is accepted, the judge shall:

1. Order the defendant to attend and complete a DUI Alcohol or Drug Use Risk Reduction Program. The order shall stipulate that the defendant shall complete such program and submit evidence of such completion to DDS within 120 days.
2. The record of the disposition of the case shall be forwarded to DDS within 10 days of the disposition.
3. The judge shall notify the defendant that if he/she fails to complete such program and fails to submit evidence of such completion to DDS within 120 days, his/her driver's license shall be suspended by operation of law.

The court shall return the driver's license to the defendant. DDS will place a pending suspension on the defendant's record that shall go into effect after 120 days if the certificate of completion is not submitted to DDS.

All VGCSA Convictions

Do NOT report any controlled substance convictions under Article 2 of Chapter 13 of Title 16 to the DDS unless the offense date was prior to July 1, 2015, and the conviction was a felony in the commission of which a motor vehicle was used.

The period of suspension and reinstatement requirements for any conviction for DUI Drugs (O.C.G.A. §§40-6-391(a)(2), 40-6-391(a)(4), and 40-6-391(a)(6) can be found below.

Court Responsibilities for First/Second/Subsequent Convictions of Controlled Substance Violations or DUI Drugs within 5 years. Upon conviction, the court shall:

- Serve the defendant with the court notice of suspension using the official DS-1190 form.
- Seize the defendant's driver's license, or if applicable, complete an official Lost License Affidavit (DS-250A form).
- Report the disposition electronically to DDS within 10 days following disposition and mail the DS-1190 form and driver's license/Lost License Affidavit to DDS.

Pursuant to O.C.G.A. §40-5-75(i), all suspensions for a Controlled Substance violation or DUI Drugs committed on or after January 1, 2008 shall run consecutively to any other type of suspension on the record on the date of disposition. Therefore, if the defendant has active suspensions on their record and is convicted of a controlled substance violation, the controlled substance suspension will not become effective until all previously existing suspensions are reinstated or have aged-off. If the defendant has no active suspensions and is convicted of a controlled substance violation AND another mandatory suspension violation arising from the same incident, they will both run concurrently (at the same time) on the record. If the defendant has a controlled substance suspension in effect on their record, and is subsequently convicted of a non-controlled substance offense, that new suspension may run concurrently (at the same time) to the suspension in effect.

Any person who is not licensed in the state of Georgia at the time of disposition will become suspended upon conviction of a controlled substance violation. However, for the purpose of eligibility towards reinstatement, the time accrual will not begin unless/until they make application for reinstatement with the DDS. Anyone convicted of a controlled substance violation is urged to contact DDS directly after disposition to get information concerning a reinstatement application and their reinstatement eligibility.

DDS shall assess the referenced points to the driver history record upon receipt of notice of any of the above convictions. Points shall also be assessed upon receipt of convictions for child safety restraint requirements as set forth in O.C.G.A. §40-8-76. DDS shall assess points to the driver history record upon receipt of notice of a conviction for a moving traffic violation in another state in accordance with the corresponding violation under Georgia law. Authority: O.C.G.A. §§40-5-52; 40-5-57.

DDS will accept one plea of *nolo contendere* for a moving traffic violation in any five year period without assigning points to the driving record. Subsequent pleas of *nolo contendere* will result in the assessment of points against the driving record, even for a different offense. For example, if a defendant pleads *nolo* for improper turning and does not have any previous *nolo* pleas for a moving violation in the past five years, DDS will record the violation onto the driving record without assessing points. If, one year later, the same defendant pleads *nolo* for failure to maintain lane, DDS will record the violation onto the driving record and will assess points. This process does not impact the treatment of pleas of *nolo contendere* for an offense for which DDS will suspend the license. Nolo for under 21, please refer to under 21 section.

Limited Driving Permits

O.C.G.A. §40-5-64

When indicated in this document that a limited driving permit is available, the individual may obtain such a permit under the following terms and conditions:

Notwithstanding any contrary provision of O.C.G.A. §§40-5-57 or 40-5-63 or any other Code section in Chapter 5 of Title 40, any person who has not been previously convicted of or adjudicated delinquent for a violation of O.C.G.A. §40-6-391 within five years, as measured from the dates of previous arrests for which convictions were obtained or pleas of *nolo contendere* were accepted to the date of the current arrest for which a conviction is obtained or a plea of *nolo contendere* is accepted, may apply for a limited driving permit when and only when that person's driver's license has been suspended in accordance with:

- O.C.G.A. §40-5-22(a.1)(2) – School Related Suspensions (only for offenses occurring prior to July 1, 2015 per SB100)
- O.C.G.A. §40-5-57(d) – Points Accumulation Suspension (first assessment in five years)
- O.C.G.A. §40-5-63(a)(1) – Mandatory Suspension and DUI (first conviction in five years) (does not apply to DUI Drugs convictions)
- O.C.G.A. §40-5-67.2(a)(1) – Administrative License Suspension (first in five years)
- O.C.G.A. §40-5-57.1(a) – Speeding if at least 18 years of age at the time of permit application, suspended for exceeding the speed limit by 24 miles per hour or more but less than 34 miles per hour, and at the discretion of the sentencing judge (Form DDS-665B)
- O.C.G.A. §40-5-75 – Controlled Substance Suspensions, including DUI Drugs, but only when the conditions in O.C.G.A. §40-5-76 have been met

Applications for limited driving permits shall be made upon forms as DDS may prescribe. Such forms shall require information as is necessary for DDS to determine the need for the permit. All applications shall be signed by the applicant before a person authorized to administer oaths.

Standards for approval

DDS shall issue a limited driving permit in the above listed situations if the application indicates that refusal to issue such permit would cause extreme hardship to the applicant. 'Extreme hardship' means that the applicant cannot reasonably obtain other transportation, and therefore the applicant would be prohibited from:

- Going to his or her place of employment, *or performing the normal duties of his/her occupation (effective 7/1/15)*;
- Receiving scheduled medical care or obtaining prescription drugs;
- Attending a college or school at which he or she is regularly enrolled as a student;
- Attending regularly scheduled sessions or meetings of support organizations for persons who have addiction or abuse problems related to alcohol or other drugs, which organizations are recognized by DDS;
- Attending under court order any driver education or improvement school or alcohol or drug program or course approved by the court which entered the judgment of conviction resulting in suspension of his or her driver's license or by DDS;

- Attending court, reporting to a probation office or officer, or performing community service; or
- Transporting an unlicensed immediate family member for work, medical care, or prescriptions, or to school.

The permissible uses of each limited driving permit are reflected as restrictions printed on such card.

Effective January 1, 2013, the permissible uses of non-interlock permits were expanded to include the following:

- (1) Going to the holder's place of employment, *or perform the normal duties of his/her occupation (effective 7/1/15)*;
- (2) Receiving scheduled medical care or obtaining prescription drugs;
- (3) Attending a college or school at which he or she is regularly enrolled as a student;
- (4) Attending regularly scheduled sessions or meetings of treatment support organizations for persons who have addiction or abuse problems related to alcohol or other drugs, which organizations are recognized by the commissioner;
- (5) Attending under court order any driver education or improvement school or alcohol or drug program or course approved by the court which entered the judgment of conviction resulting in suspension of his or her driver's license or by the commissioner;
- (6) Attending court, reporting to a probation office or officer, or performing community service; or
- (7) Transporting an immediate family member who does not hold a valid driver's license to work, medical care, or prescriptions or to school.

Permissible uses of ignition interlock limited driving permits will be limited to the following:

- (1) Going to the holder's place of employment, *or perform the normal duties of his/her occupation (effective 7/1/15)*;
- (2) Attending a college or school at which he or she is regularly enrolled as a student;
- (3) Attending regularly scheduled sessions or meetings of treatment support organizations for persons who have addiction or abuse problems related to alcohol or other drugs, which organizations are recognized by the commissioner; and
- (4) Going for monthly monitoring visits with the permit holder's ignition interlock device service provider.

Language allowing travel for medical care intentionally deleted at the request of the National Highway Transportation Safety Administration so that Georgia would remain in compliance with the federal interlock requirements for multiple DUI offenders in 23 U.S.C. §164 and 23 C.F.R. Part 1275.

Duration of permit

A permit issued pursuant to O.C.G.A. §40-5-64 shall be \$25, shall be renewable for \$5, and shall become invalid:

- shall expire upon any earlier reinstatement of the driver's license.

A person may apply to DDS for a limited driving permit immediately following such conviction if he or she has surrendered his or her driver's license to the court in which the conviction was adjudged or to DDS if DDS has processed the citation or conviction. Upon the applicant's execution of an affidavit attesting to such facts and to the fact that the court had not imposed a suspension or revocation of his or her driver's license or driving privileges inconsistent with the driving privileges to be conferred by the limited driving permit applied for, DDS may issue such person a limited driving permit.

Revocation of permit

Any permittee who is convicted of violating any state law or local ordinance relating to the movement of vehicles, including a seat belt conviction if operating a motor vehicle, or any permittee who is convicted of violating the conditions endorsed on his or her permit shall have his or her permit revoked by DDS. Any court in which such conviction is had shall require the permittee to surrender the permit to the court, and the court shall forward it to DDS within ten days after the conviction, with the notice of service form, and, if the court does not transmit electronically, a copy of the conviction.

Upon receipt of notice from the Department of Behavioral Health and Developmental Disabilities (DBHDD) that a permittee who is required to complete a substance abuse treatment program pursuant to O.C.G.A. §40-5-63.1 enrolled in but failed to attend or complete such program as scheduled, DDS shall revoke such person's limited driving permit and, by regular mail to his or her last known address, notify such person of such revocation. Such notice of revocation shall inform the person of the grounds for and effective date of the revocation and of the right to review. The notice of revocation shall be deemed received three days after mailing.

Upon receipt of notice from a provider center for ignition interlock devices that an ignition interlock device has been tampered with or the permittee has failed to report for monitoring, DDS shall revoke the limited driving permit, and shall provide notice to the permittee as indicated above.

Any person whose limited driving permit has been revoked shall not be eligible to apply for a driver's license until six months from the date such permit was surrendered to DDS or the date that DDS processes the conviction that resulted in the revocation.
In any case of revocation of a limited driving permit, DDS may impose an additional period of suspension for the conviction upon which revocation of the permit was based.

Note: Class D license “conditions,” as referenced in O.C.G.A. §40-5-24, should not be confused with license “restrictions,” as referenced in O.C.G.A. §40-5-30. An officer citing a driver of violating a Class D license “condition” should charge under O.C.G.A. §40-5-24. A violation of O.C.G.A. § 40-5-24, in and of itself, will not result in a suspension, is not a points-bearing offense, and does not need to be reported to DDS.

Before convicting an individual of violation O.C.G.A. §40-5-30, the court should verify that the license does, in fact, have restrictions on it and that the officer clearly indicated on the UTC which restrictions were violated. Any conviction reported under §40-5-30 against a license that does not have restrictions on it will be returned to the court as an error.

Failure to Appear **O.C.G.A. §40-5-56; §17-6-11**

Note: The purpose of this suspension is to make certain that the defendant will appear before the court to answer the charges alleged by the apprehending officer. This suspension will remain active until the Department of Driver Services receives notice from the court that the case against the defendant has been adjudicated.

This is the only purpose of this form. It cannot be used as a means of collecting fines from disposed cases. Courts may submit the DS-912 and DS-912 releases via the GECPS system. PLEASE USE A SEPARATE DS-912 FORM FOR EACH CITATION. IF YOU HAVE MULTIPLE CITATIONS, USE MULTIPLE FORMS.

The court should take the following actions if a Georgia driver's license was displayed in lieu of bail and the defendant does not appear in court at the time of arraignment:

The court is under no legal obligation to provide the driver with notice of their failure to appear in court, nor is the court under any legal obligation to provide drivers with a 'grace-period' prior to submitting notice to DDS. DDS will mail the driver notice of a pending suspension via certified mail, giving them 28 days to clear the FTA with the court and show notice of such to DDS.

Courts can submit the FTA electronically via GECPS, OR:

1. Complete the official DS-912 form, checking the second block.
2. The copy that is marked "DEFENDANT'S NOTICE" (top copy) should be sent to the licensee as notification that he or she should appear to answer the charges before your court. The court shall then forward the "HOME JURISDICTION COPY" (yellow) to DDS immediately.
3. Upon receipt of a DS-912 forwarded by the court, DDS shall send notice via certified mail of the pending suspension, and shall suspend the driver's license and driving privilege of the defaulting person indefinitely if court clearance is not received within 28 days.
4. Upon adjudication the court should provide the defendant with the "DEFENDANT'S RECEIPT" (pink copy) and should mail the copy entitled "HOME JURISDICTION-SUSPENSION WITHDRAWAL" (goldenrod copy) to this Department.
5. It is important that the Department of Driver Services receives the copy marked the "HOME JURISDICTION-SUSPENSION WITHDRAWAL" in order to process the release of the suspension.
6. The "COURT COPY" (bottom copy) should be retained as a part of the court's records.

The suspension will be indefinite and only reinstated as described below.

Reinstatement Requirements:

- Courts can withdraw the FTA electronically via GECPS, OR
- The DDS can receive the "HOME JURISDICTION-SUSPENSION WITHDRAWAL" copy from the court or the defendant,
- AND the person must pay DDS a reinstatement fee of \$100 (\$90 if processed by mail or the DDS website) if the suspension has already gone into effect.

For non-Georgia drivers licensed in a member state of the Nonresident Violator Compact:

Note: The Department of Driver Services will not accept DS-912 forms for people licensed in the following states, as these states are not members of the Nonresident Violator Compact:

Alaska, California, Michigan, Montana, Oregon, or Wisconsin

Those law enforcement agencies that submit traffic violations to your court should be notified not to issue appearance citations to drivers licensed in any of these six “nonmember” states.

DDS cannot accept FTA suspensions for non-Georgia drivers from states that are members of the Nonresident Violator Compact if the suspension is received more than 6 months from the date the driver failed to appear in court.

The court should take the following actions if a driver’s license from another state was displayed in lieu of bail and the non-Georgia resident defendant does not appear in court at the time of arraignment:

Courts can submit the FTA electronically via GECPS, OR:

1. Complete the DS-912, checking the first block.
2. The copy that is marked “DEFENDANT’S NOTICE” (top copy) should be sent to the licensee as notification that he or she should appear to answer the charges before your court. The court shall then forward the “HOME JURISDICTION COPY” (yellow) to this Department within 5 days.
3. Upon receipt of a DS-912 forwarded by the court, DDS shall send notification of the FTA to the driver’s home state. As a member of the Nonresident Violator Compact, the member state has agreed to suspend the driver’s license issued in their state until notified by this department that charge against the person has been finally adjudicated.
4. Upon adjudication the court should provide the defendant with the “DEFENDANT’S RECEIPT” (pink copy) and should mail the copy entitled “HOME JURISDICTION-SUSPENSION WITHDRAWAL” (goldenrod copy) to this Department, or send the FTA release electronically to the DDS.

It is important that the Department of Driver Services receives the copy marked the “HOME JURISDICTION-SUSPENSION WITHDRAWAL” in order to send the release to the home state. The “COURT COPY” (bottom copy) should be retained as a part of the court’s records.

Driver's License as Collateral

O.C.G.A. §17-6-2

Any qualifying defendant may be allowed to post their valid driver's license as collateral for bail pursuant to an agreement under O.C.G.A. §17-6-2.

The requirements are:

1. The individual is a Georgia resident;
2. The individual possesses a valid Georgia driver's license;
3. The individual is charged with a violation of state law (misdemeanor offense);
4. The individual has been incarcerated for not less than five days; and
5. The individual's bail is \$1,000.00 or less.

The sheriff of the county wherein the violation occurred shall be authorized, unless otherwise ordered by a judicial officer, to accept that individual's driver's license as collateral. The individual posting a license as collateral shall execute an acknowledgment and agreement between the individual and the State of Georgia as bond wherein the individual agrees to appear in court to answer the charges made against the individual and acknowledges that failure to appear in court when the case is scheduled for hearing, trial, or plea shall result in a forfeiture of the individual's license through suspension by operation of law effective upon the date of the individual's scheduled appearance. The individual shall also be notified that failure to appear in court as required may result in criminal prosecution for bail jumping as provided in O.C.G.A. §16-10-51. After execution of the agreement, except as otherwise provided by law, the license shall be returned to the individual and the original agreement shall be delivered to the prosecuting attorney for filing with the accusation, citation, or dismissal. Whenever an individual has been charged with a violation of O.C.G.A. §40-6-391, relating to driving under the influence of alcohol or drugs, then the provisions of O.C.G.A. §40-5-67 shall apply. If the defendant does not appear in court at the time of arraignment, the court should take the following actions within five (5) days to clear this case:

1. Complete the official DS-912 form, checking the third block.
2. The copy that is marked "DEFENDANT'S NOTICE" (top copy) should be sent to the licensee as notification that he or she should appear to answer the charges before your court.
3. The court shall then forward, within five days, the "HOME JURISDICTION COPY" (yellow) to this Department.

Upon receipt of an official DS-912 form from the court, DDS shall immediately suspend the driver's license and driving privilege of the defaulting person indefinitely.

Suspension

- Indefinite.

Reinstatement Requirements:

- A license suspended pursuant to this subsection shall only be reinstated when the individual pays to the Department of Driver Services a reinstatement fee of \$25.00 together with a certified notice from the clerk of the originating court that the case has either been disposed of or has been rescheduled and a deposit of sufficient collateral approved by the sheriff of the county wherein the charges were made in an amount to satisfy the original bail amount has been made.

Disqualifications of Commercial Driving Privileges

Both federal regulations and Georgia law establish the criteria for commercial disqualifications. Disqualifications should not be confused with suspensions. Disqualifications only withdraw the commercial privileges (that is, the licensee's privilege to operate a commercial motor vehicle or apply for a commercial license). Suspensions, however, lead to the withdrawal of ALL driving privileges (non-commercial, commercial, and motorcycle). A licensee with a commercial disqualification can still operate a non-commercial vehicle if those privileges are not also suspended. There are many commercial disqualifications that do not impact non-commercial privileges. There are also offenses that result in both a suspension AND a disqualification (though, usually the disqualification is for a longer time period).

While federal regulations are generally intended to penalize CDL holders, or those operating a commercial motor vehicle (CMV), Georgia has opted to apply these penalties more comprehensively. In Georgia, commercial disqualifications will be imposed for certain offenses that occur in any vehicle by any person, regardless of license class or type. Because of this, Georgia must distinguish its commercial disqualifications between those imposed based on federal regulations and those imposed by Georgia law only. Offenses enumerated in federal regulations will result in a 'Federal Disqualification' when committed in CMV or by a CDL holder. These will also result in a 'Georgia Disqualification.' However, these same offenses, when committed in a non-CMV by a non-CDL holder will result in a 'Georgia Disqualification.' Both types of disqualifications will result in a withdrawal of all commercial driving privileges. It is important to note that these two distinct types of disqualification may appear as separate lines on a driving record for the same offense. It is also important to note that they do not impact each other. Regardless of the type of disqualification (either Federal or Georgia), the commercial driving privileges are withdrawn.

Commercial disqualifications are generally triggered by traffic-related offenses. These offenses (and the corresponding disqualifications) are divided into 4 distinct categories:

- Major Traffic Violations
- Serious Traffic Violations
- Railroad Grade Crossing Violations
- Out-of-Service Order Violations

Each of these categories (both the offenses and the disqualifications) is explained in detail in later sections.

MAJOR TRAFFIC VIOLATIONS

DDS will consider a conviction for any offense listed below as a Major Traffic Violation:

1. for any person (regardless of license class),
2. when committed in either a Commercial Motor Vehicle OR, unless otherwise stated, in a non-Commercial Motor Vehicle, and
3. when committed in the State of Georgia or any other jurisdiction.

The offenses are:

- Driving a vehicle under the influence in violation of §40-6-391 (DUI) ^{1,2}
 - this includes being under the influence of all substances (alcohol, drugs, inhalants, etc) AND includes the various levels of per se DUI based on age or vehicle type (i.e. .08 for a driver over 21 in a non-CMV; .02 for a driver under 21 regardless of vehicle; and .04 for a driver over 21 operating a CMV);
- Hit and Run or leaving the scene of an accident in violation of §40-6-270; ^{1,2}
- Failure to report striking an unattended vehicle in violation of §40-6-271; ^{1,2}
- Failure to report striking a fixed object in violation of §40-6-272; ^{1,2,3}
- Failure to report an accident in violation of §40-6-273; ^{1,2}
- Any felony in the commission of which a motor vehicle is used; ^{1,2}
- Driving a commercial motor vehicle while the person's commercial driver's license or commercial driving privilege is revoked, suspended, canceled or disqualified; ^{1,2}
- Homicide by vehicle in violation of §40-6-393; ^{1,2}
- Use of a motor vehicle in the commission of a felony involving the manufacturing, distributing, trafficking or dispensing of a controlled substance (as reported by 40-5-151(e)); ^{1,2}
- Racing on the streets and highways in violation of §40-6-186; ²
- Using a motor vehicle in attempting to flee or elude an officer in violation of §40-6-395; ²
- Operating a motor vehicle with a revoked, cancelled, or suspended registration in violation of §40-6-15; ²
- Fraudulent or fictitious use of or application for a license, making false statements, or committing fraud during a driver's license examination as provided for in §40-5-120 and §40-5-125(C); ²
- Theft of a commercial motor vehicle or of the cargo contained thereon or therein as provided for in §16-8-22; ²
- Refusing to submit to a state-administered chemical test as required by a law enforcement officer pursuant to §40-5-55 (Implied Consent Refusal – Administrative License Suspension); ^{1,2}
- ANY of the above offenses or their equivalent as reported to Georgia DDS via an ACD Code or legal code by a court, administrative hearing office, or licensing authority in any other state or territory of the United States or any foreign jurisdiction (Georgia drivers are held accountable for their actions in other jurisdictions).

1 – Federal Major Violation; required by Federal regulations [49 CFR 383.51(b)]

2 – Georgia Major Violation; required by the O.C.G.A. §40-5-142(18.2) and §40-5-151

Major Commercial Disqualifications:

- For use of a motor vehicle in the commission of a felony involving the manufacturing, distributing, trafficking, or dispensing of a controlled substance ONLY: a lifetime disqualification of all commercial driving privileges that cannot be shortened or otherwise reduced.
- For a first conviction of any of the above offenses, if the offense occurred in a CMV that was transporting quantities of hazardous material sufficient to require a placard: a 3 year disqualification of all commercial driving privileges.
- For all other convictions:
 - 1st Conviction – 1-year disqualification of all commercial driving privileges;
 - 2nd Conviction – A lifetime disqualification of all commercial driving privileges.
- A Major Commercial Disqualification will become effective on the date DDS processes the conviction onto the record.
- A Major Commercial Disqualification will run concurrently to (at the same time as) any other suspension or disqualification on the driver's record.

Important Notes:

- Federal regulations allow states to consider the re-issuance of a CDL after 10 years of a lifetime disqualification if the driver meets certain criteria. Georgia, however, has opted to define a lifetime disqualification as a true, 'duration of the natural life' disqualification of all commercial privileges. This applies to both Federal and Georgia lifetime disqualifications. However, DDS anticipates advisory information from FMCSA in August 2012 which may impact the lifetime disqualification.
- A second conviction for a Major Traffic Violations will not generate a lifetime disqualification if it occurred as part of the same incident as the first conviction for a Major Traffic Violation.
- From 1/1/08 forward, a second conviction for a Major Traffic Violation within the lifetime of the driver will result in the lifetime disqualification. However, there are limitations when looking at previous convictions prior to 1/1/08. In all instances, DDS will make the final determination as to the applicability of a certain disqualification toward the contribution of a lifetime disqualification.

SERIOUS TRAFFIC VIOLATIONS

DDS will consider a conviction for any offense listed below as a Serious Traffic Violation:

- 1) for any person (regardless of license class),
- 2) when committed in either a Commercial Motor Vehicle OR, unless otherwise stated, in a non-Commercial Motor Vehicle , and
- 3) when committed in the State of Georgia or any other jurisdiction.

The offenses are listed in O.C.G.A. §40-5-142(22) as follows:

- Speeding 15 or more miles per hour over the posted limit in violation of §40-6-181, §40-6-188, or §40-6-160;
- Reckless Driving in violation of §40-6-390;
- Improper or Erratic lane change (including failure to signal a lane change) in violation of §40-6-48;
- Following another vehicle too closely in violation of §40-6-49;
- Any traffic violation in connection with a fatal accident (but excluding Homicide by Vehicle as defined in Major Traffic Violations);
- A Railroad Grade Crossing Violation (as defined in that section) if committed in a non-commercial motor vehicle (a Georgia-only disqualification);
- Operating a CMV without obtaining a CDL in violation of §40-5-146(a)* or §40-5-151(f);
- Operating a CMV without a CDL in the driver's immediate possession in violation of 40-5-146(a);**
- Operating a CMV without a CDL of the proper class and/or endorsements for the specific vehicle being operated or for the passengers or type of cargo transported in violation of §40-5-150;
- Use of a wireless telecommunications device in violation of O.C.G.A. §40.6.241.2 while driving a CMV;
- ANY of the above offenses or their equivalent as reported to Georgia DDS via an ACD Code or legal code by a court, administrative hearing office, or licensing authority in any other state or territory of the United States or any foreign jurisdiction (Georgia drivers are held accountable for their actions in other jurisdictions).

*courts must report this offense as 40-5-146(a)(1) – see the Reportable Violations List

** courts must report this offense as 40-5-146(a)(2) – see the Reportable Violations List

Serious Traffic Disqualifications: O.C.G.A. §40-5-151(f)

A disqualification will be imposed as described below for any conviction of the above offenses arising from separate incidents when they occur within a 3-year period measured between the violation dates for which the convictions were obtained.

- 1st Conviction – no disqualification;
- 2nd Conviction – 60 days;
- 3rd or Subsequent Conviction – 120 days.

Important Notes:

- A second or subsequent conviction for a Serious Traffic Violation will not generate a disqualification if it occurred as part of the same incident as a previous conviction for

- another Serious Traffic Violation.
- Serious Commercial Disqualifications will run consecutively to (end-to-end) any other Serious Commercial Disqualifications on the record.
- Effective July 1, 2015, a violation of O.C.G.A. §40-5-125(b) will impose a commercial driving disqualification of not less than 60 days.

OUT-OF-SERVICE ORDER VIOLATIONS

An out-of-service order is a temporary withdrawal of the privilege to operate a CMV. An out-of-service order may be imposed against either the driver OR the vehicle. For example, an out-of-service order against a vehicle with defective equipment (such as brakes, axles, lights, etc) is in place indefinitely, or until the defect is fixed. An out-of-service order against a driver for an hours-of-service violation (driver on the road for too many hours) is in place for 8 hours. An out-of-service order against a driver for having any measurable alcohol in his or her system, or who refuses to take a chemical test, is in place for 24 hours.

Disqualifications for violating an out-of -service order will be applied when they occur within a 10-year period as measured from the violations dates for which the convictions were obtained. By definition, this offense must occur in a CMV.

Out-of-Service Orders violations can be reported to DDS by the courts using legal codes §40-5-146(b)(2) and §40-5-151(g)(3), or by other states using the appropriate ACD codes.

Out-of-Service Order Disqualifications, effective 1-1-09 (O.C.G.A. §40-5-151(g):

- 1st conviction for an out-of-service order violation: 180 days;
- 1st conviction for an out-of-service order violation while transporting hazardous material in quantities that require a placard or operating a vehicle designed to transport 16 or more passengers: 180 days.
- 2nd conviction for an out-of-service order violation: 2 years ;
- 2nd conviction for an out-of-service order violation while transporting hazardous material in quantities that require a placard or operating a vehicle designed to transport 16 or more passengers: 3 years.
- 3rd or subsequent conviction for an out-of-service order violation: 3 years;
- 3rd or subsequent conviction for an out-of-service order violation while transporting hazardous material in quantities that require a placard or operating a vehicle designed to transport 16 or more passengers: 3 years.

RAILROAD GRADE CROSSING VIOLATIONS (O.C.G.A. §40-5-151(k)(1)

Railroad Grade Crossing Violations (RGCV) are offenses listed in O.C.G.A. §40-6-140 through §40-6-143. These offenses shall only be considered a Federal RGCV when committed in a commercial motor vehicle. Any RGCV committed in a non-commercial motor vehicle shall be considered a Georgia-only Serious Traffic Violation (see that section for details).

These offenses are:

- Failing to slow down and check that the tracks are clear of an approaching train before proceeding in violation of §40-6-140(c);
- Failing to stop before reaching the crossing if the tracks are not clear in violation of §40-6-140(d);
- Failing to stop before driving onto the crossing (if required to do so) in violation of §40-6-142(a);
- Driving over a railroad grade crossing when there is insufficient space to drive completely through the railroad crossing without stopping in violation of §40-6-140(e);
- Failing to obey a traffic control device or the directions of an enforcement official at a railroad crossing in violation of §40-6-140(a)(2);
- Failing to negotiate a crossing because of insufficient undercarriage clearance in violation of §40-6-140(f);
- ANY of the above offenses or their equivalent as reported to Georgia DDS via an ACD Code or legal code by a court, administrative hearing office, or licensing authority in any other state or territory of the United States or any foreign jurisdiction (Georgia drivers are held accountable for their actions in other jurisdictions).

Railroad Grade Crossing Disqualifications (O.C.G.A. §40-5-151(k)(2))

A disqualification for a conviction of any of the above offenses will be imposed when they occur as separate incidents within a 3-year period as measured from the violations dates for which the convictions were obtained:

- 1st conviction: 60 days;
- 2nd conviction: 120 days;
- 3rd or subsequent conviction: 1 year.

Miscellaneous Disqualification

Failure to Weigh a CMV at a weigh station when required, as reported to DDS by O.C.G.A. §32-6-30 will result in a 90 day suspension of non-commercial privileges and a 90 day disqualification of commercial privileges.

Note: Although the commercial license may be suspended, revoked, or under a disqualification, the privilege of operating a non-commercial vehicle may or may not be affected.

The procedures regarding reinstatement, if the violation committed would mandate a suspension under “non-commercial driver’s license,” may be found under the specific offense that was committed. If the offense is not covered in this manual, and you wish information in regards to this offense, you may call the Commercial Driver’s License Unit at (678) 413-8458 or -8461.

Commercial Motor Vehicle/Commercial Driver's License FAQs

Question: What does "GVWR" mean?

Answer: GVWR means Gross Vehicle Weight Rating. GVWR is the rating applied by a vehicle manufacturer, and represents the maximum total weight of vehicle, cargo, people, fuel, and other fluids together.

Question: How is GVWR used?

Answer: The Gross Vehicle Weight Rating is one method used to determine whether a vehicle is subject to regulation.

Question: I'm confused. I've heard some people say that a GVWR of 10,001 lbs. or more makes a vehicle subject to the regulations, others say 26,001 lbs. Can you help clear this up?

Answer: Vehicles with a GVWR of 10,001 lbs. or more used as part of a business (including a non-profit organization) are considered commercial motor vehicles for purposes of most of the safety regulations. This applies to single vehicles (trucks and vans) and to combinations of vehicles (such as a truck pulling a trailer or other equipment). At 26,001 lb. and above GVWR, additional requirements also apply (Commercial Driver's License and Drug and Alcohol Testing). In addition, vehicles that carry hazardous materials for a business purpose are considered commercial regardless of GVWR.

Question: I've never heard of these regulations before. Are they new?

Answer: No. The safety regulations at the 10,001 lb. GVWR level have been in the Federal Regulations for decades. The State of Georgia first adopted the Federal Regulations in 1972 for for-hire carriers, and they have applied to both private and for-hire companies since 1984.

Question: My truck (or truck & trailer) that I use for my business has a GVWR of 10,001 lb. or more. Do I need a medical examiner's certificate?

Answer: Yes. The medical qualification and exam requirements apply.

Question: My truck (or truck & trailer) that I use for my business has a GVWR of 10,001 lb. or more. Do I need a US DOT Number?

Answer: Yes. The power unit must be identified with the name of the company and the US DOT Number. If you cross state lines, or otherwise carry interstate freight (such as air freight) the US DOT Number comes from the Federal DOT. If you stay within the State of Georgia, and don't carry interstate cargo, the US DOT number comes from the Georgia Department of Public Safety.

Question: My truck (or truck and trailer) that I use for my business has a GVWR of 10,001 lb. or more. Do I need to keep a logbook (Records of Duty Status)?

Answer: Generally, yes. Drivers of these vehicles are subject to the hours-of-service limits and record-keeping requirements. A local driver may not need a logbook if all of the following requirements are met:

1. The driver stays inside a 100 air mile radius of their work-reporting location.
2. The driver reports to and is dismissed from the same work reporting location and is released from work within 12 consecutive hours;
3. The property-carrying commercial motor vehicle driver has at least 10 consecutive hours off duty separating each 12 hours on duty;
4. The passenger-carrying commercial motor vehicle driver has at least 8 consecutive hours off duty separating each 12 hours on duty;
5. A property-carrying commercial motor vehicle driver does not exceed the maximum driving time specified §395.3(a)(3) following 10 consecutive hours off duty; or

6. A passenger-carrying commercial motor vehicle driver does not exceed 10 hours maximum driving time following 8 hours consecutive hours off duty; and
7. The motor carrier that employs the driver maintains and retains for a period of 6 months, accurate and true time records showing:
 - The time the driver reports for duty each day
 - The total number of hours the driver is on duty each day
 - The time the driver is released from duty each day; and
 - The total time for the preceding 7 days in accordance with §395.8(j)(2) for drivers used for the first time or intermittently.

Note: The driver is still subject to the 60 hours in 7-day rule or 70 hours in 8-day rule.

Question: What are the commonly violated regulations?

Answer: For vehicles and combinations with GVWR of 10,001 lbs. or more:

- Vehicle identification (Name and US DOT Number)
- Operating a commercial motor vehicle without a commercial drivers license
- Operating a commercial motor vehicle without the proper class of CDL license and/or endorsement(s)
- No medical exam certificate
- Using a radar detector (radar detectors are prohibited)
- No fire extinguisher
- No stopped vehicle warning devices (reflective triangles)
- Driver did not do a pre-trip inspection (need not be written)
- Driver exceeded hours-of-service limits
- No time records kept on driver
- No annual mechanical inspection of vehicle
- No post-trip inspection (must be in writing) - no longer required unless there is a defect or the CMV is a passenger carrying vehicle
- Trailers not equipped with required brakes, lights, and reflectors.

Question: What kinds of regulations are there about alcoholic beverages?

Answer: These regulations apply to all commercial vehicles, 10,001 lbs. or more:

- The driver may not have any alcoholic beverage (including so called "non-alcoholic" beer) anywhere on the vehicle or combination. There are exceptions if the beverages are part of the legitimate manifested cargo, and for bus and limousine passengers.
- The driver may not operate the vehicle with any measurable amount of alcohol in their system.
- The driver may not consume alcohol within 4 hours of reporting to work.
- A driver who violates these regulations will be placed out of service for 24 hours. The vehicle may be impounded.

Question: My truck has air brakes, but a GVWR under 26,001 lbs. Do I need a Commercial Driver's License?

Answer: No, unless the vehicle is used to transport hazardous materials that require placards. Air brakes alone do not invoke the CDL requirement.

Question: Where can I get more information about the Motor Carrier Safety Regulations?

Answer: The Federal Motor Carrier Safety Administration has a Regulatory Guidance section on their website: www.fmcsa.dot.gov

NOTE: These Questions and Answers are general restatements of the Motor Carrier Safety Regulations and Georgia Law. Always consult applicable regulations and law specific to your situation.

Juvenile Court Procedures

Please Do Not Report those cases which have been *nolle prossed*, reduced to a warning, dismissed, voided, dead docketed, held in abeyance, informally adjusted, those cases which concluded in the child and parent being reprimanded or counseled, any conviction that is exempted under Title 40, or any conviction that does not relate to the operation of a motor vehicle or will not result in the suspension of a driver's license unless a suspension is ordered by the court.

Please note that any interruption of driving privileges of a juvenile caused by a suspension, whether mandated by law or ordered by the court, may result in the delay of progression through Georgia's teenage graduated licensing program.

Reporting procedures:

Juvenile Courts may submit convictions and court-ordered suspensions to DDS via the following methods:

Electronically

Courts can electronically submit a juvenile traffic ticket, drug conviction, or court ordered suspension (pursuant to a juvenile hearing, disposition of a reportable violation during a juvenile traffic hearing, or disposition of delinquency). Contact your vendor for more information on how to data enter this information and successfully transmit it to DDS.

DS-1137 - Under 16 years of age for DUI or certain Drug Possession Charges

If the juvenile is less than 16 years of age, the court can use a form DS-1137 for an adjudication of delinquency for Driving Under the Influence (O.C.G.A. §40-6-391), Possession of Controlled Substance (O.C.G.A. §16-13-30), or Possession of Dangerous Drugs (O.C.G.A. §16-13-72). The court should use the first check box on the form (O.C.G.A. §40-5-22.1). The court should circle the appropriate legal code and indicate whether it is a first or second adjudication. A first adjudication will result in the suspension of the Class CP license or the denial of licensing privileges until the juvenile reaches the age of 17. A second adjudication will result in the suspension of the Class CP license or the denial of licensing privileges until the juvenile reaches the age of 18. *Note: Pursuant to SB100 (2015), a license suspension will not be imposed for possession of controlled substance offenses occurring on or after July 1, 2015.*

Limited Driving Permit - No

Reinstatement Procedures:

- Upon reaching the age of eligibility, the following requirements must be met before a driver's license will be issued:
 - Completion of a Drug/Alcohol Risk Reduction course approved by DDS or an assessment and intervention program approved by the juvenile court. . The original certificate of completion must be provided to DDS by the juvenile on or before the time of application; and
 - Payment of a \$210.00 reinstatement fee (or \$200.00 if applied for by mail) for first suspension, \$310.00 reinstatement fee (or \$300 if processed by mail) for second suspension, or \$410.00 reinstatement fee (or \$400 if processed by mail) for third suspension.

DS-1137 – 17 years of age or under for court-ordered suspensions

If a juvenile court would like to initiate a court-ordered suspension pursuant to an adjudication of delinquency, a juvenile traffic conviction, or for any reason the court is legally permitted to do so, it can use the DS-1137 and check the appropriate box. Depending on the legal reason for the suspension, the juvenile court is limited to either the period of the probation or a period of time not to go beyond the driver's 18th birthday. The form explains which suspension period is appropriate.

Because court-ordered suspensions will “age off” of the record once the period of suspension has elapsed, the court should retain the driver's license and return it to the juvenile at the end of the suspension period. This will prevent the juvenile from paying a replacement fee for their license. All other offenses will have reinstatement requirements as indicated in this document or otherwise required by DDS pursuant to Georgia law.

DS-32 Uniform Traffic Citation – Juvenile Traffic Charges

If a juvenile court is reporting a traffic-related conviction via a Uniform Traffic Citation, it can do so by completing the “Disposition and Sentence” portion on the reverse of the UTC. This will result in DDS taking the appropriate action required by law (assessment of points or a suspension).

If the court wishes to impose a court-ordered suspension, the following phrase must appear in the “Disposition and Sentence” section on the reverse side of the UTC:

“As a matter of probation, the driver's license will be suspended for a period of _____” (period of time)

The Uniform Traffic Citation or the official DS-1137 form is an acceptable means of reporting court-ordered suspensions via paper. However, submit only one. Submitting both documents may result in duplicate suspensions.

Juvenile Traffic charges are described in greater detail below.

DS-1242 Violations of the Georgia Controlled Substance Act (VGCSA)

The courts may use the DS-1242 to report the adjudication of a juvenile for any violation of the Georgia Controlled Substance Act. If the juvenile is under the age of 16 at the time of disposition and is charged with O.C.G.A. §16-13-30 or §16-13-72, DDS will take the actions described above (DS-1137 – Under 16 years of age) as if it were reported via the DS-1137 for an under 16 VGCSA charge. *Pursuant to SB100 (2015), controlled substance offenses occurring after July 1, 2015, other than found in O.C.G.A. §40-6-391, will no longer impose a license suspension and should not be reported to the DDS.*

Disposition of Delinquent Child.

O.C.G.A. § 15-11-630

The following offenses shall be delinquent offenses and shall not be handled as juvenile traffic offenses:

- Aggressive driving,
- Reckless driving,
- A speeding offense punishable by four (4) or more points,
- Homicide by vehicle,
- Manslaughter resulting from the operation of a vehicle,
- Any felony in the commission of which a motor vehicle is used,
- Racing on highways and streets,
- Using a motor vehicle in fleeing or attempting to elude an officer,
- Fraudulent or fictitious use of a driver's license,
- Hit and Run or leaving the scene of an accident,
- Driving under the influence of alcohol or drugs,
- And any offense committed by an unlicensed driver under 16 years of age.

If the adjudication will result in the mandatory suspension of the driving privileges, the court should seize the driver's license and mail it along with a copy of the notice of suspension form (DS-1190) to DDS.

At the conclusion of the dispositional hearing provided in subsection (a) of O.C.G.A. § 15-11-65, if the child is found to have committed a delinquent act, the court may, in addition to any other treatment or rehabilitation, suspend the driver's license of such child for any period not to exceed the date on which the child becomes 18 years of age or, in the case of a child who does not have a driver's license, prohibit the issuance of a driver's license to such child for any period not to exceed the date on which the child becomes 18 years of age. If the court is ordering a suspension for a violation that would not normally generate a suspension of the driving privileges by DDS, the court should retain the driver's license for a period of suspension and return it to the offender at the end of such period.

Under 17 years of age – Juvenile Traffic Offenses

O.C.G.A. §15-11-630

Upon finding that the child has committed a juvenile traffic offense or a delinquent offense that would be a violation of O.C.G.A. Title 40 if committed by an adult, the court shall forward, within 10 days, a report of the final adjudication and disposition of the charge to the Department of Driver Services. The Department of Driver Services shall record the adjudication and disposition of the offense on the child's permanent record and such adjudication and disposition shall be deemed a conviction for the purpose of suspending or revoking the individual's driver's license. Such record shall also be available to law enforcement agencies and courts as are the permanent traffic records of adults.

Subsequent to an adjudication of any Juvenile Traffic Offense governed by O.C.G.A. §15-11-630, the court has the authority to impose any of the following sanctions:

- Any sanction listed under O.C.G.A. §§15-11-442 or 15-11-601 [O.C.G.A. §15-11-630(f)(6)]
- Order, as a condition of probation, the Department of Driver Services to suspend the child's license or privilege of the child to be issued a license for a period of time not exceed 12 months. [O.C.G.A. §15-11-630(f)(2)]
- Require the child to attend a traffic school approved by the Department of Driver Services or a substance abuse treatment clinic or program approved by DBHDD or the Council of Juvenile Court judges for a reasonable period of time. [O.C.G.A. §15-11-630(f)(3)]

If the juvenile has a driver's license and the violation is not an offense for which the license may be suspended by the Department of Driver Services, the court should hold the license until its ordered suspension has concluded. By doing this, a reinstatement fee will not be required by the Department of Driver Services.

If the conviction itself will generate a suspension as a matter of law, simply report the conviction and DDS will automatically suspend the license.

School Attendance/Conduct Suspensions

O.C.G.A. §40-5-22

Pursuant to SB100 (2015) and effective on July 1, 2015, there will no longer be a license suspension imposed for any school attendance or school misconduct violations as listed below.

The driver's license of any person under the age of 18 years will be suspended by the Georgia Department of Driver Services upon notification that he/she has:

- Dropped out of school without graduating and has remained out of school for ten consecutive school days;
- Ten or more school days of unexcused absences in the current academic year or previous academic year; or
- Been found in violation by a hearing officer, panel, or tribunal of one of the following offenses, or received a change in placement for committing one of the following offenses, or waived his or her right to a hearing and pleaded guilty to one of the following offenses:
 - Threatening, striking, or causing bodily harm to a teacher or other school personnel;
 - Possession or sale of drugs or alcohol on school property or at a school-sponsored event;
 - Possession or use of a weapon on school property or at a school-sponsored event. For purposes of this subparagraph, the term 'weapon' shall be defined in accordance with Code Section 16-11-127.1 but shall not include any part of an archeological or cultural exhibit brought to school in connection with a school project;
 - Any sexual offense prohibited under Chapter 6 of Title 16; or
 - Causing substantial physical or visible bodily harm to or seriously disfiguring another person, including another student.

Suspension

- The suspension shall be for a period of one year or shall end upon the date of such minor's eighteenth birthday or upon receipt of satisfactory proof that the minor is pursuing or has received a general educational development (GED) diploma, a high school diploma, a special diploma, a certificate of high school completion, or has terminated his or her secondary education and is enrolled in a postsecondary school, whichever comes first.

Limited Driving Permit/ Hardship License:

- Yes

A limited permit may be available in cases in which the suspension would create an "undue hardship" on the juvenile or juvenile's family, or if there is clear and convincing evidence that the enforcement of the provisions of this subsection would act as a detriment to the health or welfare of the minor [O.C.G.A. § 40-5-22]. The limited permit (if granted) is \$25, renewable for \$5, and will become invalid upon the driver's 18th birthday. The Department is authorized to grant a hardship exemption from the provisions of the subsection.

See O.C.G.A. §40-5-64(e).

Miscellaneous Information

City or County Ordinances: Do not use a city or county ordinance as the violation code. These will not be processed by DDS. Use the Code Section from the Official Code of Georgia Annotated.

Open Container Law: This violation assesses two points if the person was driving at the time of the violation. All convictions involving drivers must be reported to this Department. DO NOT report passengers that are in violation of the open container law.

Completion Certificate from a Drug or Alcohol Course: If the course is completed after violation date, the certificate will be accepted at any time provided the certificate has not already been used for the reinstatement of any other suspension.

Lost License Affidavit: The form (DS-250A) has been provided to meet the requirement of submitting a license to the court in those cases where the defendant is unable to surrender his/her license. This form must be sent to DDS in lieu of the defendant's driver's license if the license has been lost or stolen.

Implied Consent Suspension: A one year hard suspension (no permit available) for a refusal to provide a sample when requested by a law enforcement officer. A DUI conviction arising from the arrest will not avoid the one year hard suspension. A defendant no longer has the option of pleading guilty to the offense of DUI for the purpose of nullifying an Implied Consent suspension that has already begun (12 month suspension).

Extension of the 180 Day Permit (DS 1127): (Blue and white temporary driving permit placed on the bottom of DUI citation) At the time a law enforcement officer takes a person's driver's license for an alcohol concentration in violation of O.C.G.A. §40-6-391 but less than the level for an administrative license suspension under O.C.G.A. §40-5-67.1, the officer shall issue an 180 temporary driving permit. This permit shall be valid until the expiration of 180 days or until the person's driving privilege is suspended or revoked. When the sticker expires and the case has not yet been adjudicated, the customer should go to the closest DDS Customer Service Center (CSC) with the letter or notice from the court/solicitor that the case has not yet been adjudicated and the citation showing the 180 day sticker issued at bottom. The DDS team member will contact the DDS help desk who will issue a temporary permit (like the ALS permit), which will be faxed to the customer while at the CSC, with the original placed in the mail to the customer.

Production of Evidence

If you are electronically connected by a GCIC computer terminal to the data center of the Department of Driver Services, you may receive records as evidence without any additional certification from this Department (O.C.G.A. §40-5-2 and O.C.G.A. §24-9-924).

Before any additional documentation is subpoenaed from this Department, please check the driving record for all pertinent data before making your request.
