

Department of Driver Services online applications interruption

Please be advised that the Department of Driver Services (DDS) will be conducting service upgrades to its online applications over the weekend. The following programs will be impacted:

- **Online Certificate Reporting Application (OCRA)**
- **Alcohol and Drug Awareness Program (ADAP)**
- **electronic Alcohol and Drug Awareness Program (eADAP)**
- **Third Party Testing (TPT) Site**
- **Motorcycle Safety Program (MSP) Registration**
- **all of the Regulatory Compliance downloadable applications for certifications**

These software applications will be down from 2:00 p.m. through 3:00 p.m. on Saturday, May 10, 2014.

We apologize for any inconvenience this service interruption may cause. As always, it is our goal to provide faster, friendlier, and easier customer service to the citizens of Georgia.
