SYNOPSIS

STATEMENT OF PURPOSE AND MAIN FEATURES OF PROPOSED RULE

In 2005, House Bill 501 created the Georgia Department of Driver Services as a successor to the Department of Motor Vehicle Safety. Duties related to motor vehicle accident reports were transferred to the Department of Transportation in 2005 with the passage of HB 501 in the 2005 Legislative Session. The Department of Driver Services does not maintain, receive, or prepare motor vehicle accident reports in its regular course of business.

DIFFERENCES BETWEEN EXISTING AND PROPOSED RULES

The proposed amendment would repeal the current rule in its entirety.
